We have really enjoyed our first week back in school 😊 After a couple of days planning and organising it was brilliant to welcome the children back in on Wednesday! I really hope the children continue to impress us so much with their positive attitudes, determination and smiling faces!

Next week you have the opportunity to meet your child's new class teacher and find out more about expectations, routines and the learning we will be doing during the autumn term. These are really useful and informative meetings as well as a chance to ask any questions – it would be great to see you at them! We also have Lantern Workshops on Monday and Tuesday evening in the Art Room.

Due to these commitments, after-school clubs will begin next **Monday 15th September**; more information will be available next week!
