Health, Hygiene & Behaviour Expectations Sept 2025

- Parents must inform school of any ongoing/complex medical needs their child may have.
- School staff can only administer prescribed medication once the appropriate forms have been completed. Medication must be in the original, named/labelled container.
- If parents have indicated a child has asthma; it is essential the child has a named/labelled inhaler with them in school every day.
- Parents should provide a minimum of 2 phone numbers for emergency contact and update these with school as required.
- Children should not attend school if they have had symptoms of stomach infections e.g. vomiting and/or diarrhoea.
- There should a 'clear' period of 48 hours before children return to school to minimise the spread of infection.
- No child should attend school if they show any symptoms of respiratory infection (e.g. Flu/Covid). If they have a high temperature, persistent cough and are unwell they should stay at home until they are better.
- Children with mild symptoms such as a runny nose, sore throat or slight cough are expected to still attend school as normal.
- All children will continue to practice good hand hygiene wash hands thoroughly for 20 seconds with soap and warm water before eating.
- Children should bring a school bag. Each day they will need: a water bottle which **MUST** be filled fresh every day and clearly labelled; their lunch in a labelled bag/box; reading book and reading record. Children only need a small, simple pencil case.
- Children need to know, understand and follow 'Catch it – Bin it – Kill it!' approach to coughs and sneezes.
- School will maintain a high standard of daily cleaning and sanitisation of classrooms, corridors and toilets.
- ALL children will be expected to behave in a polite, respectful manner towards each other and to ALL staff who may be looking after them. We will maintain our high standards of behaviour at all times using our Core Values, high expectations and rewards to help us do this.
- **Children do not need a mobile phone or other personal electronic device and must NOT bring them into school.**
